Commissioner For Patents

Honorable Commissioner:

In reply to the Office Action dated 01/09/2007 -Notice of Non-Compliant Amendment (37 CFR 1.121) regarding the above referenced patent application it is noted:

Boxes 4.c (Amendments to the claims) and 4.e Other (See continuation sheet) are checked on said form. It is noted with respect to 4.c that the proper status identifier of each claim was not properly presented in the amended claims submitted with Applicants last reply dated 10-18-06.

Applicant respectfully submits within the 30 day shortened statutory period of response required by said Office Action, claims 4-24 on 5 pages each of said claim now having a proper status identifier.

With respect to 4.e Other (See continuation sheet) Applicant mistakenly submitted an obsolete working draft of claims in error, along with the 10/18/2006 reply, instead of properly submitting the enclosed claims which were prepared at that time but not submitted. Applicant respectfully requests the enclosed claims 4-24 be entered into the record for consideration, along with consideration of the contents of the reply submitted on 10/18/2006.

The Examiner is respectfully invited to contact the Applicant to resolve any remaining issues if the examiner believes such contact would facilitate the instant case to issuance.
